WHERE IS THE SPEAKER READY ROOM?

The Speaker Ready Room is located on Level 2 of the Conference Centre:

Room 206 (on Sunday)

Room 218 (Monday to Wednesday)

WHY THE SPEAKER READY ROOM?

- All presentations need to be uploaded in the Speaker Ready Room to ensure a smooth and trouble-free presentation of your work.
- The Speaker Ready Room Staff will ensure that the presentation is formatted correctly, embedded links and videos are working. The presentation will then be uploaded to the system.
- Once your presentation has been uploaded in the Speaker Ready Room, it will be distributed to your Session Room and made available at the lectern prior to the session commencing.
- **Please proceed to your session only after submitting** your presentation in the Speaker Ready Room.

WHEN DO I NEED TO SUBMIT?

There might be a queue when you arrive at the Speaker Ready Room. Therefore, we recommend submitting your presentation at least **2 hours before** the session start time.

You can also submit your presentation on the day before, if you wish.
